Vibrant trasmette  
su superficie ceramica  
le emozioni di raggi  
luminosi intensi,  
brillanti e vibranti.

*Vibrant evokes and  
applies on a ceramic  
surface, the emotions  
driven by shining,  
intense, sparkling  
sun rays.*

WHITE

Una struttura a barrette verticali irregolari crea una geometria ripetitiva ma sempre diversa dove l'alternanza delle sfumature gioca col riverbero della luce e dei suoi riflessi.

*A soft texture of vertical irregular bars produces a repetitive but always different geometry enhancing a multiple blend of shades and playing with the light and its reflections.*
